IT'S

SUPERSTUMP was taking it easy on a bright, sunny beach.

his old friend Sandy is on his way up to see him.

After a while, SUPERSTUMP could feel Sandy blowing toward him. "Sandy," he called. "Slow down, take it easy. You're blowing way to hard. You don't have to come on so strong!" Sand was blowing everywhere.

When Sandy flew over, water was rising and flowing into streets and houses. SUPERSTUMP tried to stop his friend but he got buried under tons of sand.

Days later, they dug him out. Sandy said he was very sorry and he would never do anything like that ever again.
