# SUPERSTUMP

SUPERSTUMP flew swiftly out to Oklahoma to see if he would be able to stop that tornado before it did too much damage.

He didn't realize how big this one was until he got hold of it and tried to make it stop causing all this destruction.

"I can't do this alone," he said. "I'm going to need some help!"

Don't look at me!

That's Grumpy Stump. He's never any help to anybody.

Another thrilling adventure of SUPERSTUMP!
